SECTION ____. G.S. 97-25(f) reads as rewritten:

[§ 97-25. Medical treatment and supplies.

(a) Medical compensation shall be provided by the employer.

(b) Upon the written request of the employee to the employer, the employer may agree to authorize and pay for a second opinion examination with a duly qualified physician licensed to practice in North Carolina, or licensed in another state if agreed to by the parties or ordered by the Commission. If, within 14 calendar days of the receipt of the written request, the request is denied or the parties, in good faith, are unable to agree upon a health care provider to perform a second opinion examination, the employee may request that the Industrial Commission order a second opinion examination. The expense thereof shall be borne by the employer upon the same terms and conditions as provided in this section for medical compensation.

(c) Provided, however, if the employee so desires, an injured employee may select a health care provider of the employee's own choosing to attend, prescribe, and assume the care and charge of the employee's case subject to the approval of the Industrial Commission. In addition, in case of a controversy arising between the employer and the employee, the Industrial Commission may order necessary treatment. In order for the Commission to grant an employee's request to change treatment or health care provider, the employee must show by a preponderance of the evidence that the change is reasonably necessary to effect a cure, provide relief, or lessen the period of disability. When deciding whether to grant an employee's request to change treatment or health care provider, the Commission may disregard or give less weight to the opinion of a health care provider from whom the employee sought evaluation, diagnosis, or treatment before the employee first requested authorization in writing from the employer, insurer, or Commission.

(d) The refusal of the employee to accept any medical compensation when ordered by the Industrial Commission shall bar the employee from further compensation until such refusal ceases, and no compensation shall at any time be paid for the period of suspension unless in the opinion of the Industrial Commission the circumstances justified the refusal. Any order issued by the Commission suspending compensation pursuant to G.S. 97-18.1 shall specify what action the employee should take to end the suspension and reinstate the compensation.

(e) If in an emergency on account of the employer's failure to provide medical compensation, a physician other than provided by the employer is called to treat the injured employee, the reasonable cost of such service shall be paid by the employer if so ordered by the Industrial Commission.]
